

Student Branch Internship Application

We are seeking ambitious students who aim to be recognized as leaders within our school. As an intern at the CCU Student Branch at Elmira High School, you will learn about personal finance and get to help students and teachers with their banking. You will practice people skills, cash handling, professionalism, and much more. In addition to practicing these important lifelong skills, you will also be building your resume and may earn the opportunity for paid internships and employment at Corning Credit Union.
